

For Immediate Release

23 January 2009

Employment Opportunities with Kingdom Bank

Kingdom Bank is growing, so from time to time we need more people, especially experienced bankers. We are especially interested in hearing from people with experience in sales, IT, lending or with an accountancy qualification.

So if you have some banking experience, live within commuting distance of Nottingham and feel you would like to help us in our Mission, why not call Sharon Rose on 0115 921 7250 or email her on sharon.rose@kingdombank.co.uk. We'd love to hear from you!

From time to time we also need employees without a banking background, so if you are interested in Kingdom Bank's work feel free to let us have your details.

This does not constitute an offer of employment.
